

Now standard on all PHD Hulls is a 200mm Reverse Chine, with a deeper “V” Deadrise (18-23-40) all built on our signature Convex Strung Plate Hull.

**** Also available as an option on all X-Press Hulls. ****

“Having Reverse Chines in a Deep “V” Hull isn’t new, but including a Complex Convex Bottom as well, has been purely for the glass market, not anymore!!”
